13

15

17

\*\* An older song popularized in the bluegrass community by Lester Flatt, Earl Scruggs and the Foggy Mountain Boys. Here's a video of the band playing it on Hootenanny, around 1964: [www.youtube.com/watch?v=nov127Ta\\_Eg](http://www.youtube.com/watch?v=nov127Ta_Eg)

This instrumental break is based on "Fiddlin'" Doc Roberts's mandolin playing on a 1934 recording by Asa Martin (1900-1979, guitar and probably vocals here), and Roberts (1897-1978, playing mandolin on this recording though he was mainly known as a fiddler). See [www.youtube.com/watch?v=C9rk-1EPSZI](http://www.youtube.com/watch?v=C9rk-1EPSZI). These lyrics are Flatt's, from the above Hootenanny video. The vocal melody is mostly Flatt's, with a few bits from the Martin-Roberts recording.

Transcribed, arranged and typeset in ABC by Pete Showman, 7/16/2015 (rev. 1).
